

Land Drilling Rigs

These land drilling rigs represent the state of the art in drilling technology. Built to operate in the toughest environments in the world, they also come with the latest technological features such as rig automation and full electric drive. Other equipment packages to fit your requirements can be accommodated.

	1500	2000
Rig Power	1.500HP (1.118kW)	2.000HP (1.470kW)
Maximum Hook Load	350Ton (770.000lbs)	450Ton (1.000.000lbs)
Mast Clear Height	45m (147ft)	45m (147ft)
Traveling System	6 x 7 (12 lines)	6 x 7 (12 lines)
Drill Line Diameter	35mm (13/8")	38mm (1½")
Rotary Table Opening	952mm (37½")	952mm (37½")
Substructure Height	7,6m (25ft)	9m (29ft)
Electric Drive Mode	AC - VFD - AC	AC - VFD - AC
Top Drive	Compatible	Compatible
